USKA FIGHT FACTORY

Parent Code of Conduct

Code of Conduct & Rules Policy | Membership Terms and Conditions

1. Signing in. Parents and guardians should ensure their child is signed in on the reception tablet, or seek assistance, for each session attended. Failure to sign in may result in loss of class credit and affect grading eligibility.

2. Uniform and preparation. Parents and guardians should help ensure their child arrives with the correct, clean uniform and belt (if applicable), short and clean nails, and no jewellery or watch for training.

3. Health information. Parents and guardians should ensure the instructor is informed before class of any illness or injury affecting their child. The instructor may request that the child avoids certain activities or undertakes an alternative exercise.

4. Punctuality. Please ensure your child arrives on time, ideally 10 minutes before class. For safety, students are not admitted after a class has started.

5. Food, drinks and belongings. Please help children observe the rules on food and drinks in the training area and keep shoes, bags and other items away from the mats. Valuables are left at the owner's risk; the club accepts no responsibility for loss or damage.

6. Respectful conduct. Profanity, derogatory language and physical or verbal bullying are not tolerated. Parents and guardians should raise any bullying concerns promptly with the session instructor.

7. Accidents and injuries. Accidents and injuries sustained during training should be reported immediately to the instructor and recorded in the accident book.

8. Collection of children. Parents and guardians must be on time to collect their children after each session. USKA Fight Factory staff cannot be held responsible for children's safety after their session has finished.

9. Parking and neighbours. When dropping off or collecting children, please park courteously and respect neighbours. Do not use private parking spaces, block other vehicles, park or stop in front of dropped kerbs, double park on the main road, or stop or park in front of the dropped kerb leading to the gym alleyway, even briefly.

10. Entering and leaving the gym. Please enter and leave the premises quietly and in an orderly manner, respecting other members and neighbours.

11. Self-control and discipline. Self-control and self-discipline are central to martial arts. Serious loss of self-control may result in suspension or expulsion from USKA.

12. Illness. Anyone feeling unwell should not attend the gym, in the interests of the safety and wellbeing of others.

13. Photography and Video Policy. USKA Fight Factory regularly takes photographs and video recordings during classes, gradings, competitions and club events.
These images may be shared through our private, members-only ClassDojo platform and, where appropriate permissions have been obtained, used on our website, social media channels and promotional materials.
Photographs and videos are taken by authorised staff using USKA equipment.
Parents and guardians can request that their child is excluded from photography and video recordings at any time by contacting club management. Any such restrictions will be recorded on our membership register and respected by staff.
Further information is available in our Photography and Video Policy.

Failure to observe these rules may result in exclusion from training. The class instructor and USKA management reserve the right to exclude a member from a class and to accept or reject membership.
